ABOUT ME

I am a highly motivated and results-driven programmer/photographer seeking a challenging opportunity to leverage my skills and experience in a good environment.

EXPERIENCE

CHS CHOIR (AUGUST 2020 – PRESENT)

I have been singing with CHS for 4 years and was part of Chamber Singers for two years. I contributed to both the tenor and bass sections as a section leader. I also earned the “Outstanding Contribution to Choral Music” award in 11th grade.

CHS ACADEMIC DECATHLON (AUGUST 2023-FEBRUARY 2024)

We studied 10 different subjects, developed skills in public speaking/giving speeches, and participated in interviews. I received 5 awards and a \$100 scholarship.

EDUCATION

CLOVIS HIGH SCHOOL, CLOVIS, CA MAY 2024

- High School Diploma
- AP Computer Science Principles (4)
- AP Calculus AB (IP)
- AP Government and Politics (IP)
- AP Psychology (IP)
- CSF

CENTER FOR ADVANCED RESEARCH AND TECHNOLOGY, CLOVIS, CA

- Web Application Development

SKILLS

- Problem solving
- Communication
- Programming/coding
- Critical thinking
- Public Speaking
- Building websites

ACTIVITIES

I enjoy spending my free time taking photos of the night sky, reading, practicing piano, singing in the choir, and working on computers. Astrophotography is my biggest passion. I also volunteer occasionally at sports games and swim meets, and at the church I attend as well.
